

Recently, I had the pleasure of experiencing what everyone is talking about...the cruise industry's newest luxury player, EXPLORA JOURNEYS...and wow, it really lives up to the hype! I knew immediately that I had to let my clients experience this product, so please join me and the C2C family this Thanksgiving for a magical 11-day voyage aboard the Explora-1. I promise that you'll love it as much as I did!

Though our itinerary is the well-traveled Caribbean, trust me...this voyage is less about the destination and all about the ship, which, with it's incredible outdoor patios and pools, is truly built for warm-weather cruising. On my last trip, I rarely got off the ship as there was simply too much to enjoy onboard. That said, we'll be visiting beautiful ports-of-call including two in Columbia...a first for C2C.

If you haven't made plans for Thanksgiving, then let's experience EXPLORA JOURNEYS together. I promise to have you home in time for the Christmas party season!
